

NORTHWEST MISSOURIAN

NORTHWEST MISSOURI STATE COLLEGE

VOL. 45—NO. 2.

Maryville, Missouri

October 8, 1958

Teachers to Hold Convention; Senator Symington to Be Here

Teachers of the Northwest Missouri District will hold their forty-first annual meeting October 10 with Stuart Symington, United States Senator from Missouri, as a morning speaker. Other main speakers will be Dr. Henry Hill, president of George Peabody College for Teachers; Commissioner Hubert Wheeler,

College to Have New Parking Areas

Plans to construct additional parking facilities behind Freshman Hall and in front of the new men's dormitory are in order. This arrangement will enable many students living in the dormitories to park near by.

Students who now have permits to park on campus and who live in dormitories may be transferred to these new parking areas. This will give more room to others. All students who do not have parking permits should come to the Business Office and complete an application form. Stickers will be issued on a first come first served basis.

Because of a shortage of funds, these two parking areas will be the only new parking facilities built at this time. Students will be penalized for parking in these areas without the proper permit.

Stuart Symington

State Department of Education; Colonel Hugh H. Waggoner, Superintendent of Missouri State Highway Patrol; and the Reverend William Alexander, pastor of the First Christian Church, Oklahoma City, Oklahoma.

Senator Symington will give his address at the first general session, Friday morning, in the College auditorium. Dr. J. W. Jones, president of the College, will give the welcome address, and Dr. Hill will speak on "Our Option to Educate All."

Officers for the next year will be elected at the annual business meeting following the address by the speakers.

The second general session will be held in the auditorium Friday afternoon. An address on "Safety" will be given by Commissioner Wheeler, followed by Colonel Waggoner of the Highway Patrol. The final address of the afternoon will be given by the Reverend Alexander.

Mrs. Freida Elwick, Grant City, president of the association, will preside over the first session. Mr. Marvin Porter, Mound City, first vice-president, will be in charge of the afternoon session.

(Continued on Page Two)

Colhecon to Hold Meeting in Lounge

New and prospective members of Colhecon are invited to attend United Nations observance tonight. The meeting will be held in the home economics lounge of the Administration building at 7:00 p.m.

Two foreign students, Merle Imamoto, of the Hawaiian Islands, and Evelyn Bladt, of Paraguay, will be guest speakers for U.N. observance. Also, a discussion will be held.

Two Receive Fines In Student Court

Two cases were brought before Student Court Friday, October 4, with two dollars collected in fines. Roy McFall and Hamp Hill were issued tickets for parking violations by the campus patrol, and they were found guilty by the Student Court.

Student President Bob Owens set the fine at one dollar each.

Men's Hall Nears Day of Completion

Men's Hall is nearing completion, much to the satisfaction of the male students attending the College. The hall is relieving overcrowded conditions which have resulted from an increase in enrollment on the campus.

Men's Hall will accommodate one hundred and thirty-eight boys. The rooms are well insulated and are much quieter than the rooms in the older buildings.

Colors used in the interiors of the rooms are green and grey. These colors are matched or contrasted by the curtains, bedspreads, and rugs which the residents purchase to furnish their rooms. The stairways are a pale pink. The lounge on the first floor is to be a pale pink also. In addition to the lounge on first floor, each of the remaining floors will have a lounge. A recreation room will be in the basement when work is completed.

An incinerator in which the men can burn their trash is one of the many conveniences to be found in the new addition.

Counselors for the men have not been appointed as yet.

Faculty Elects Three To Governing Body

Dr. Ralph Fulson, Mr. Clifford Kensinger, and Dr. Irene Mueller are the recently elected members of the Faculty Council. Their terms will expire in 1961.

Other members of the Council are Miss Mabel Cook, Dr. John Harr, and Dr. H. D. Peterson, class of 1959; and Miss Vida Dunbar, Miss Ruth Miller, and Dr. Leon Miller, class of 1960.

Ex-officio members are President J. W. Jones, Dean Charles E. Koerble, and Registrar R. P. Foster.

AWS to Sponsor First Penny Night

The Associated Women Students on this campus will sponsor a Penny Night after Walkout Day.

Girls are allowed to stay out an extra hour, if their date pays a penny for every minute after the regular closing hours. This arrangement will extend hours to 11:30 for upperclass girls and 10:30 for freshman girls in the dormitory.

For girls living in town, the upperclass girls will be in at 11:00 and freshman girls will be in at 10:00.

This is a continuation of the practice established shortly after the A. W. S. was organized last spring.

Students to Choose Queen From Five In Campus Election

Five finalists in the competition for Homecoming Queen will be voted upon by the student body in an election to be held Wednesday, October 22. The queen will be revealed at coronation ceremonies following the first presentation of the Variety Show, October 23.

Qualifications for queen candidates are that she be a sophomore or above, have an academic standing of "M" or better, and be backed by a recognized organization or a petition of 25 students.

Campus Students Should File Now For Lot Permits

College or Horace Mann students operating an automobile on campus but not having a parking permit should file an application in the Business Office immediately.

If the sticker or decal that was obtained upon registration is lost, a duplicate cannot be issued. The parking place is lost. Everyone should stick the decal to the rear window of the car instead of taping it to the window.

Be Careful!

Everyone is cautioned to park only in his designated area. The colors of the decals must coincide with the colors of the signs in each parking area.

Records are kept of the permits by the student's name and parking lot. This information is available to the Campus Police. Rules are being enforced by the Student Court as well as the Campus Police.

Warnings Will Not Be Given

No warning tickets are to be issued. Violators must pay their fines to the Business Office within 48 hours or sign with the Student Senate office, if they desire, within 48 hours to plead their case before the Student Court.

Student court shall meet every Friday at 7:30 a.m. in the upper Lakeview Room of the Union.

Failure to pay the fine or appear before the Court will result in the case being turned over to the Maryville City Police.

Harr to Lead Panel At A. A. U. W. Meet

A. A. U. W. will meet Thursday, October 9, at 7:30 in the Union.

Dr. John Harr will lead a panel discussion on the Far East. Other panel members will be Dr. Harry G. Dildine, Dr. Berndt Angman, Dr. Harry A. Galle, and Mr. Dean Moore.

Look! ... to the Homecoming committee on the project of making Homecoming an enjoyable event. Members pictured are, left to right, front row, Kenneth Jacobs, Darlene Vonder-schmidt, Dr. John Harr; second row, Garnet Barkus, Pat Cottrell, Ann Newcomer, Shirley Pederson, Jody Newcomer, Sylvia McConkey; third row, Bonnie Warner, Evelyn Robison,

Karen Blake, Margaret Boyd, Joyce McCoolle, Nancy Young, Donna Anderson; fourth row, Marcella Sena, Lois Patton, Joyce Barnes, Carolina DeBow, Dick Hargrave, Don Beeson, Jim Tussey, Bill Simmons; fifth row, Bruce Wake, Ron Kixmiller, Jim Means, Bob K. James, Jim Holmes, Don Kixmiller, Bob W. James, Larry Brown. (Photo by Alexander)

Changes Improve Campus of College

Many improvements have been made at the College during the past year with the comfort of the student and the further beautification of the campus in mind.

Installation of new heating facilities on campus is now complete and ready for operation. Early this year the old steam sputter-type radiators were replaced, and new radiators with new piping have been installed. The Administration building has been greatly improved by the remodeling of its rest rooms. All work was done by the Industrial Heating and Plumbing Company.

Most of the roads and parking lots around the campus have been repaired. The engine of the green, cross-country Bearcat bus is being overhauled. The football field has improved lighting. The football and baseball practice field, west of the Armory, is now in use.

While remodeling of the President's home is being completed, President and Mrs. J. W. Jones are living at South Hall. Remodeling of the homemaking department at Horace Mann has been finished, including new lighting, new floors, and a new kitchenette.

Tower Staff Begins Work on Yearbook

While most students on campus are primarily engaged in getting their classes straightened out and renewing old friendships, at least three people are quite busy on a special project. These students are the members of the 1959 Tower Staff—Sylvia McConkey, editor; Jo Ann Outs, assistant editor; and Glenda Townsend, art editor.

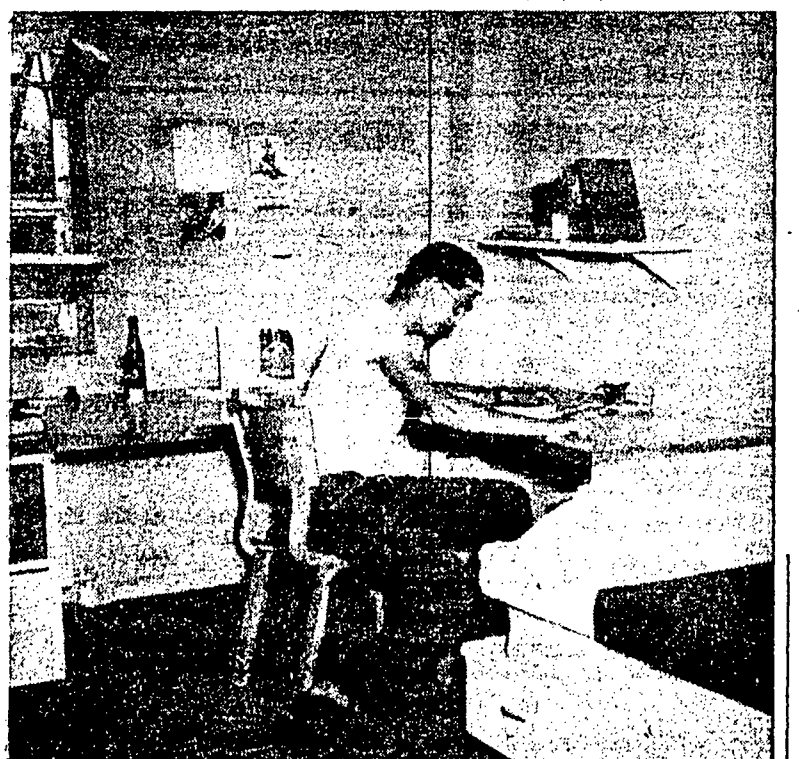

Among the pre-school work that was done on the annual was the selection of a theme and the yearbook cover. For the next two weeks the staff will be concerned with making the dummy copy for the Tower.

Individual pictures are now being taken at Falk Studio. The seniors and juniors have completed taking theirs and the sophomores are to conclude today. Dates for the freshmen are set at October 9 through October 15.

Hours at the studio are from 9 to 12 and from 1 to 4, Monday through Friday.

Notice!

Classes will not be dismissed for the sessions of the Northwest Missouri Teachers Association, Friday, October 10, according to Dean Charles E. Koerble, unless otherwise officially notified.

FRESHMAN AT HOME ... Harvey James finds the new living quarters at Men's Hall very comfortable. The room pictured above is representative of all the new clean rooms in Men's Hall. Harvey is a student from Council Bluffs, Iowa. (Photo by Alexander)

Examine Your Study Habits!

An old sophomoric philosophy goes somewhat like this: "The more you study, the more you know; the more you know, the more you forget; the more you forget, the less you know, so why study? The less you study, the less you know, the less you know, the less you forget, the less you forget, the more you know, so why study?"

This seems to be the general idea for too many students.

Careful, thorough reading of an assignment is usually enough preparation if the material is to be discussed when the class meets again, but more concentrated effort is needed for extra readings.

Tests are always terrible terrors unless one has a good set of notes, a quiet roomie, and two or three extra hours.

Bull sessions are good ways to pick up missed material, and they provide a social outlet as well. Their worth, however, should not be over-rated.

One of the biggest don'ts in studying is not to wait until the last minute to get things done. Every instructor in the business can tell right away if a lesson is prepared carefully . . . and it shows in the grade.

Skipping a class for lack of being prepared is a popular habit, but it is rationalization. Even if he has a brain like a watermelon, nearly every student can gain by sitting in class and soaking up what he can.

And remember, an hour of sleep before bedtime is worth two after!

Learning to Read?

You too, can be an effective reader. Learning to read and study effectively for many purposes involves both time and "know how."

If you wish to increase the possibility of doing your best college work, it may be necessary for you to enroll now in the College Reading Improvement Program. Direct your inquiries to Mr. Ralph Cater or Miss Dempsey in Room 2 of the College library on or before October 10.

Home Economics Group To Hold Pledge Service At October 15 Meeting

Pledging services for new members of Kappa Omicron Phi are to be held October 15. A social hour is planned to be held at the home of the sponsor, Miss Mabel Cook. Mrs. Frank Bouska will give a talk on wedding etiquette.

Kappa Omicron Phi is planning for a big year ahead. This is the fiftieth year since the founding of the home economics department. First head of the department was Miss Hettie Margaret Anthony.

Kappa Omicron Phi has adopted the same theme as the American Home Economics Association, "This, Our Golden Time."

Members for the Homecoming float committee have been chosen. Chairman of the committee is Dorothy Evans. Other members on the committee are Ramona Hall, Maxine Hull, and Carolyn Ihrig.

Title for the Homecoming float is "Flight to Dream Land."

Den Movie to Be Presented Friday

The Den movie to be presented Friday, October 10, at 7:15 p.m., will be "Bad Day at Black Rock." The movie stars Spencer Tracy, Robert Ryan, and Walter Brennan and lasts an hour and twenty-one minutes.

"Bad Day at Black Rock" is the dramatic story of a lone man pitted against an isolated desert town. The story is built around the time the Limited makes an unscheduled stop at Black Rock.

The Stroller . . .

The Stroller is beginning to believe a comment he heard over WHB—that Missouri doesn't have a fall. It jumps from summer to winter.

The Stroller really hasn't had much time to stroll this week. Have the instructors ever been piling on the tests and pop quizzes! Have a heart! We're only human!

One evening at dinner, the Stroller overheard some freshman boys discussing which class of upper-class women had the most charm. Before they moved on, the boys hadn't reached any decision. Really, boys, they all have it!

Just like the freshman class, the Stroller was wondering when Walk-out Day will be. He listened at the key hole of the "M" Club headquarters and found that the glorious day of redemption for Freshmen will be . . . woops!

The Stroller has noticed the colorful leaves that are falling from the trees and how picturesque the campus looks.

Teachers Credit Union To Hold Annual Meeting

Annual stockholders' meeting of the Northwest Missouri Teachers Credit Union will be held on Friday, October 10, at 3:30 p.m. in Room 122.

Immediately following the stockholders' meeting, the Board of Directors will hold their annual meeting.

C. O. Woolsey to Be Head of Law Association

Clarence O. Woolsey, of Springfield, has been elected president of the Missouri Bar Association for the coming year. Mr. Woolsey, whose major was social studies, received his A.B. and B.S. degrees here, in the class of 1933.

"BEFORE WE GO TO THE LAB - WE HAVE SOMEONE HERE WHO WOULD LIKE TO TELL YOU WHAT HAPPENS WHEN WE MIX POTASSIUM PERMANGANATE WITH CONCENTRATED SULFURIC ACID!"

Writers Club Elects Leaders for New Year

Ten creative writers attended the organizational meeting of the Writers' Club at the home of Miss Mattie Dykes, former faculty member of the English department.

Officers elected were Bob Hayden, president; Richard Rose, vice-president; and Rose Mary Meyer, secretary. Others attending were Helen Christenson, Margaret Wilson, Roger Blackwell, Jerry Johnson, Roy Lippman, Norris Noel, and Don Petry.

Manuscripts were read aloud and discussed. It was announced that a poem of one of the members has been accepted for publication.

Members decided to meet on the first and third Monday nights at 7:30 p.m. Notices will be posted on bulletin boards and transportation will be furnished from the Administration building. The next meeting will be October 20.

Mr. Boone Speaks At SNEA Meeting

Mr. Luke Boone, director of the Instructional Materials Bureau, was guest speaker at a meeting of the Student National Education Association in the Union, Wednesday, October 1. Mr. Boone spoke on "Television in Today's Schools."

Harold Wilkinson, president, presided at the business meeting which preceded Mr. Boone's talk. Among the items discussed were the district meeting of S. N. E. A. which will be held during the district Teachers' meeting October 10, and the state teachers' meeting to be held in Kansas City November 7.

Dr. Wanda Walker, sponsor of the organization, said that a bus would be made available for transportation of students to the Kansas City meeting if enough members were interested in attending.

Colhecon to Give Annual Style Show

"Fashion Curriculum" is the theme for this fall's Simplicity style show sponsored by Colhecon. The style show will be held October 16, 7:30 p.m. in the Horace Mann auditorium.

Members of Colhecon will model sixteen garments ranging from casual to evening wear. Simplicity Pattern Company is providing the garments.

Small admission fee will be charged. Everyone is invited to attend.

Teachers to Hold Convention; Senator Symington to Be Here

(Continued from Page One)
Other officers for this term are Mr. Lon Edwards, North Kansas City, second vice-president; Mrs. Virginia Bean, Cameron, third vice-president; and Mr. Everett W. Brown, Maryville, secretary-treasurer.

Johnson to Attend Library Conference

Mr. James Johnson, head of the College library, will attend a Library School conference at the University of Minnesota October 31 to November 1.

The conference will be initiated by the two introductory papers which will set the background for discussion of the new standards and guide.

Part of the program will include the discussion of new standards and requirements necessary to support an undergraduate and graduate program.

Also on the program will be panel discussions on Bibliography and Reference, Book Selection and Cataloging. At another panel discussion representatives of public, special, school, and academic libraries will discuss what they expect from library education, both at the undergraduate and graduate level.

Three Former Students Assist in Social Science

Three graduate students are assisting in the social science department this year.

Bonita Allen, who is a 1957 graduate, is a new assistant with general social studies, and Carl Carmichael, a mid-term 1958 grad, is a returnee to the department. Assistant to the Humanities instructor is James Hamilton who graduated in 1957.

Engineers-to-Be Total Around 100

Northwest Missouri State College has one hundred pre-engineering students, most of whom are on a 3-2 plan with Rolla or Missouri University.

These students attend Maryville for three years, and complete their work at either Rolla or M.U.

They then receive two degrees, one from Maryville and one from the other school.

Industrial Arts to Have New Course Selections

New courses under consideration for industrial arts students may soon become realities.

A course in auto mechanics will soon be offered as part of the driver education course; under heavy consideration is a slide rule course which may be presented in cooperation with the mathematics department.

Hello, World!

Mr. and Mrs. Richard Kennon of Corpus Christi, Texas, have announced the birth of their son, Kevin Dean. The eight pound, two-and-one-half ounce boy was born on September 11.

Mrs. Kennon is the former Marlene Olineus who attended NWMSO last year.

Dorm Council Sets New Policy

The Dormitory Council and a representative group of students from Residence Hall have formulated a new policy regarding study hours in both halls.

On Monday and Thursday nights no male guests are permitted in the lounge after 7:00 p. m. From 7:00 p. m. until 8:00 p. m. they may call for their dates at the desk and wait quietly near the door. This new policy went into effect September 29.

This ruling is to emphasize the need for quiet hours for study on first floor, also that the women may have more use of their lounge.

Wednesday night will now be designated as "Date Night" and the closing hours are extended to 10:30 p. m. for upperclasswomen and 9:30 for freshmen.

THE DORM COUNCIL.

They're Talking About . . .

THEY'RE TALKING ABOUT . . . the missing students from Kangaroo Court . . . the sneaky M club members . . . the approaching Walk-Out Day . . . the editorial "Quit Your Gripping, Freshmen!"

THEY'RE TALKING ABOUT . . . the changes in the election of Homecoming queen, is it good or bad? . . . the new pledges for sororities and fraternities . . . the national officer's visit to NWMSC . . . the cold weather and the "sniffles" to be heard in the classrooms.

THEY'RE TALKING ABOUT . . . the new later hours on Wednesday nights for the girls in the dorms . . . the popcorn parties being held in the dorm in the wee morning hours . . . penny night at the dorm soon . . . cramming for the first fall exams.

THEY'RE TALKING ABOUT . . . the new faces on the faculty . . . the new cheerleaders . . . the new class officers . . . the new glittering fingers on campus . . . the outcome of the first home football game . . . the energetic girls that play tennis so early in the morning on Tuesdays and Thursdays . . . the golf classes transplanting grass south of the gym with a flick of the wrist . . . last week's big newspaper . . . last week's jam session in Quad 5 that lasted most of the night.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

WELL ESTABLISHED . . . in Freshman Hall are: left to right, Martha Gray, Davis City, Iowa; Marsha Crowell, counselor, Adel, Iowa; and Diann Leeper, Des Moines, Iowa. Neat and beautiful rooms are pleasant for home life in the dorm. (Photo by Alexander)

Freshman Hall Is Welcome Addition To College Campus

Freshman Hall is nearly completed, much to the pleasure of freshman girls at the College.

The new dorm is a welcome addition to the college campus, relieving overcrowded conditions because of the increase in enrollment.

Second, third, and fourth floors each are occupied by fifty-three girls with two girls sharing a room. First floor will be occupied by thirty-eight girls.

Pink and gray, blue and beige, are two of the various color schemes in the rooms carried out by matching curtains, bedspreads, and rugs belonging to the girls. Yet to furnish are the lounges, one on each floor.

Counselors in Freshman Hall are Marsha Crowell, Mary Lou Boeck, Gloria Jackson, Ardith Linn, Marilyn Cox, Carolyn Cummings, and Pat Cottrell. Each counselor has supervision over twenty-six girls.

Satisfaction is the word for all.

Delta Zetas Have Party for Rushees

Oriental fantasy was the theme of the Delta Zeta informal rush party, which was held September 30 in the Union Lounge.

Coolie hats with the rushees' names painted on them served as name cards. An informal mixer with Vernie Ford as master of ceremonies was followed by a skit with Delores Behrends as narrator, Barrie Parks as Little Boy, and Janet Sue Barr as Chou Mein. Oriental music was played in the

background.

President Pat Bump and Mrs. Wheeler, a national officer, told the rushees about sorority life and the goals of a sorority.

Miss Margaret Prince, chapter adviser, poured at the refreshment table. Jasmine tea, fortune cookies, wafers, nuts, gumdrops, and stuffed dates were served.

Alpha Sigmas Hold Party for Rushees

Forty-five rushees attended the Alpha Sigma Alpha gay nineties garden party at the Union on September 29. As the rushees walked through the garden gate, they were greeted by Alphas wearing the traditional attire of that period.

Entertainment, with Margo Floyd portraying "Old Miss Alpha Sigma Alpha," was based upon the founding of the sorority at Longwood College, Farmville, Virginia, around the turn of the century. Gaye Laughery danced to the "Old Soft Shoe," while Evelyn Robinson was Alpha Sigma's "Sweet Old-Fashioned Girl." The program was concluded by mystic marvels of Ann Porter, magician, and Kay Taylor, Sybil Sims, and Darlene Vonderschmidt in a comedy can-can routine.

Following introductions, the present sorority members were cited.

National Leader Visits Campus Delta Chapter

Mrs. Joy Wheeler, Detroit, Michigan, was a visitor of Delta Zeta sorority during rush week.

Mrs. Wheeler is a Delta Zeta national officer. She brought many new ideas for the local chapter.

Radio Club Organizes

In the process of organizing is a campus Radio Club. Anyone interested is asked to put his name on the notice posted on the north side of the circular bulletin board on first floor.

Mr. Myles Grabau is sponsor of the group.

Cape Indians Play Bearcats On October 11

Southeast Missouri State College's football team will invade Memorial Stadium on Saturday, October 11, to play the second home game for the Bearcats with the game starting at 8:00 p.m.

Cape Girardeau's Indians will bring with them a record of 2 wins and 1 loss for the first 3 games this season. They won their first game with South Dakota by a score of 6 to 2, Western Kentucky defeated them 12 to 0 in their second game and they ran away from Carson-Newman by a 26 to 7 score in their September 26 game.

They have a strong well-balanced team and Coach Turner is giving them much concentration. Their quarterback, Tom O'Keefe, is one of the leading scorers in the conference so far and the rest of their backs have run up an impressive number of total yards.

The Indians will have a line averaging around 200 lbs. compared to 205 lbs. for the Bearcats. In the backfield their backs hit the scales at 179 lbs. with 170 lbs. for Maryville.

Probable starting lineups for the teams should be as follows: for Cape Girardeau, ends, Bob Lahr and Don Mings; tackles, James Sater and Gary Frazer; guards, Ed McWilliams and Glenn Schott; center, Ken Inman; halfbacks, Arlen Powell and Tom Thrower; fullback, Carroll Sanders; and quarterback, Tom O'Keefe.

For Maryville, ends, Mickey Nardin and Harold Wilkinson; tackles, Charles Booth and Grant Hilburn; guards, Gene Smith and Vernon Bryant; center, Doyle Thomas; halfbacks, Max Ross and either Al Kyle or Pete Carrizales; quarterback, Dick Powell.

Two Tackles and Two Guards Who Play an Important Role on the Gridiron

CHARLES BOOTH—"Togo" plays an important role on the forward wall at tackle. He is a senior from Bethany and is majoring in physical education with a minor in industrial arts. As a member of the Sigma Tau Gamma fraternity, he is active in social as well as in athletic activities.

GRANT HILBURN—Grant is a junior from Kansas City, and his major is business with a minor in economics. While working toward his B.S. degree he has been an active member on the campus, being an active member of Sigma Tau Gamma fraternity. He has secured a position at tackle.

JACK TAYLOR—Jack, a junior from Caruthersville, has been a regular the last two seasons while earning two letters. He is majoring in physical education with a minor in industrial arts. Jack has a lot of ability and fills the guard spot very well for the Bearcat football team.

GENE SMITH—A first guard, who hails from Gower, is the captain of this year's team. Gene, who is best known as "Twister," is a senior majoring in physical education with a minor in industrial arts, working on his B.S. degree. Gene is an active member of Sigma Tau Gamma fraternity.

William Jewell Cardinals Defeat Maryville Bearcats

The Cardinals of William Jewell only scoring with a two yard overcame the Bearcat football plunge for the touchdown and also team Saturday, October 4, by a 19 to 7 score. Freshman fullback Jim Reiff of the Bearcats did the

Cheerless leader

Not a "rah rah" left in him! He's just discovered there's no more Coke. And a cheer leader without Coke is as sad as a soap opera. To put the sparkle back in his eye—somebody!—bring him a sparkling cold Coca-Cola!

SIGN OF GOOD TASTE

Bottled under authority of The Coca-Cola Company by

HUND & EGER BOTTLING CO., St. Joseph, Mo.

"Coke" is a registered trade-mark.
